Dear Old Joe:

Thank you very much for your generous subscription. It is good to have such friends - and I know you and Comadre will be glad to see the saving of these good old folksongs of California.

The books shall go to you as soon as they come from the printers - and you will find them handsome as well as valuable.

With love and all good wishes,

Always your Friend,

CFL/R

My dear Charlie:

On my return from San Francisco where I attended the annual national convention of the American Legion I have your note, and I wish to assure you that I shall be very glad to help. I don't know to just what extent you expect me to assist, but you may put me down for five copies, anyhow.

With best wishes and kindest regards, I am

Yours sincerely,
